

MIRACLE WORKING GOD

The first came on Saturday 20th June, when my step-son who last year had been diagnosed with lung cancer went to the hospital for a check-up and was informed that his lungs were totally cancer free.

Then on Monday 22nd June my husband who had been out of work for 5 months received an email to start a contract in Belgium, and finally on Saturday 27th June we received a phone call from the estate agent that a property we had on the market for sale had completed and the payment had been in our account since the 24th June.

Glory to God, who is faithful.

Dr Mike Murdock was the special guest for 19th July Friday Fire with Pastor Matthew. It was powerful and when Dr Mike asked people to sow £300 I knew I did not have the money but I took a step of faith because I believed I would be one of the 300 to receive a testimony. Within three days I received three testimonies.

The Word of God says...

Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness.

2 Corinthians 9:10

You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

2 Corinthians 9:11

MIRACLES HEALINGS & BREAKTHROUGHS TESTIMONIES

AUGUST 2020

NO SHAME NO EMBARRASSMENT

Picture posed by model

Iwould like to thank God for the Morning Glow. I had previously experienced a miscarriage and had been battling with my other child's health. As a result of these experiences I gripped by fear.

I became pregnant and I battled my fears during the Morning Glow services. I prayed against repeated affliction and cried out to God for mercy. It was exactly what I needed. Pastor Matthew also held an evening service called 'No Shame and No Embarrassment,' it was a setup from God for my pregnancy. One morning Pastor Matthew gave a prophetic word that he saw a woman giving birth and that something was wrong with the child. He prayed to cancel this and declared 'your day of celebration will truly be a day of celebration. I received that word as my own.

I am here to testify that I have given birth to a healthy baby girl. There was no shame, no embarrassment and no repeated affliction. My day of celebration was truly a day of celebration. The enemy tried to raise his head when the doctors thought something was wrong with my

SHIELDED BY GOD

I'm praising and thanking God for His faithfulness and His divine protection over my life and my wife who is a frontline worker.

I am one of many who received a letter from the government to shield. I used the Morning Glow services as part of my early morning preparation for the day ahead. One weekend my wife began to experience heaviness in her chest and had mild flu like symptoms. She declare then and there that no way is this disease surviving in her body. Within two days the symptoms gradually resolved.

I give all the glory, all the honour and all the praise to God for my wife's speedy recovery because a recent

antibody test confirmed that she had been delivered from the Coronavirus. Hallelujah! What makes the testimony even sweeter is that where I had been told to shield by the government, I was actually shielded by God and did not contract the virus from my wife. Hallelujah we serve a mighty God.

Thank you Pastor Matthew for the altar of prayer we can take part in at Morning Glow. My wife and I are really blessed to be part of KICC.

baby's eyes. I quickly rejected that report and anointed my baby's eyes with oil before they transferred us to ophthalmology. I was later informed that the very day I gave birth, during Morning Glow, Pastor Matthew had prayed for the healing of eyes. I believe that grace flowed into my baby because two ophthalmologists confirmed that an error in diagnosis had been made and the baby's eyes were 100% perfect. Normal.

I give all the glory to the God who cannot lie. The Promise Keeper who is faithful. Thank you Lord. I also thank Pastor Matthew for being used by God to minister at the Morning Glow services.

SAFE & SOUND

One morning, the Holy Spirit woke me up and prompted me to pray in tongues. I could not shake the feeling that something may happen but I had real peace that God is in control. Later that day my mother called from South Africa. There had been a car accident but glory to God my mother walked out without injury.

After that time we trusted God to provide my mother with another car and God did it. He provided her with an amazing car so that she could travel to and from work with ease. I also trusted God for a new home for my family and as we live in a very expensive area in London I thought it may not be possible to have a house in the same area. I give all the glory to God, for He provided us with a home that

not only ticked all the boxes but our offer was accepted below the market price. Thank you Lord all the glory belongs to you. Thank you also to God's faithful servant Pastor Matthew who has been such a blessing during this time.

FAITHFULLY PROTECTED

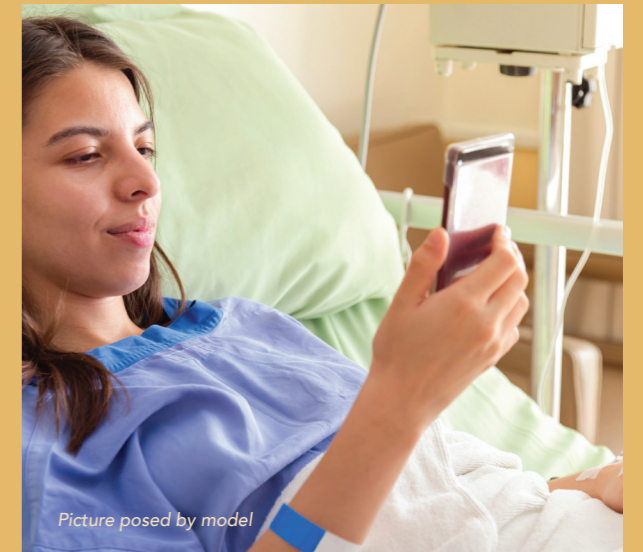

I am in the vulnerable group that have been shielding due to the global pandemic. I had a test for the Coronavirus in May and the test came back positive. It was a scary experience because I live on dialysis and have had two transplants.

to worry or fear. After this time I was tested a further two more times and on both occasions the results came back negative. It was suggested to me that the first test may have been wrong but I didn't care because God taught me not to live in fear.

I joined Morning Glow during this period. Pastor Matthew took time to pray against Coronavirus. There was one particular morning when he prayed and assured people not

I am grateful for God's mercy, faithfulness and protection. Thank you Lord.

DOUBLE BLESSING

Picture posed by model

During the lockdown my wife's company began cutting jobs. She had been with this international organization for some time and had been praying for a new position. God heard her cry and my wife received a dream job that included a double increase of her former salary.

I received a contract within a sector I had been trying to get

into since 2016. This is truly our year of Shinning.

UNCOMMON DIVINE FAVOUR

During a Morning Glow service Pastor Matthew taught on Divine Favour. He repeatedly prophesied that someone would receive unexpected divine favour.

I needed a new laptop for the course I was studying online. I had been saving and shared this with a friend. My friend asked what type of laptop I preferred and what I was planning to get. I told them all the details because I knew they had a degree in computer science and would be able help with their knowledge about the choice I was making.

In May, my friend called and informed me that they had brought

two laptops and wanted me to choose one. I was pleasantly surprised. Thank you Lord. In addition to

that my neighbours offered to repair my broken fence, clear up the back garden ad remove any unwanted

household rubbish, all for free! Hallelujah. Glory to God. God bless you Pastor Matthew for being used mightily in our generation.
